BACK TO SCHOOL!

On the 19th April, P.4-6 students came back to school whilst P.1-3 students went back to zoom. During the first period, the whole school had a back to school ceremony. All students need to do a COVID test before school. Although it was the first day, we were already used to the school schedule and it was exciting to see our friends again. Welcome back!

MOVIE DAY!

On Wednesday 27th April it was movie day! Each year group watched different movies in their classrooms. P5 watched the Disney Pixar movie 'Coco'. I thought it was boring to begin with, but then the main character Miguel started his scary trip! I think it was a very exciting movie! Many scary things happened. Movie day was great, I hope we can have another one in 2023!

STORYTELLING

by James Chong

During the 'special holiday' we did many things. One of the most meaningful was a story telling event for K2 and K3 students. The story I told was about a dragon! We read whilst students looked at a PowerPoint we prepared. They enjoyed it a lot and listened carefully to the stories. A fun day for all!

SCHOOL PARTNERSHIP PROGRAMME

by Anson Fu & Joanne Tsang

For the school partnership programme, several secondary school alumni's hosted several talks over 4 weeks. In the first week teachers and students made a big birthday card for the elderly and their carers. Some alumni's gave performances such as diabolo, music and yoyo. We also had a talk about secondary school life and exams. We learned a lot and are more prepared for secondary school.

MY HOLIDAY

by Kaydence Ko

During the holiday, students had to stay at home, but I had to do many things. My classmates Jenna and Tiffany came to my home to play with me. We played on my Nintendo Switch and with my hamster, Meaty. Then, we went to Penfold Park. There were lots of dogs and birds there. We played games like hide and seek and tag. I had a lot of fun with my friends! I hope I can play with them again.

TEACHER TALK - MS. NG

by Amy Chan & Aiden Poon

Ms. Ng is a PE teacher. Her favourite sports are handball and rugby. Her favourite colours are purple and pink. She loves watching films in her free time. She also likes to eat seafood and beef. She also likes to drink lemonade and coke, To be honest, we do too!

Joke of the month: Why was the maths book so unhappy?

Answer: Because it was full of problems.
