## EXAM TIME!

Exams are coming at school. It is P1's first time and P6's last time to take exams here. In the exam we need to use all the knowledge we have gained in our classes and prove it all on the exam papers. Even though exams are hard, we need to pay attention and try our best! I wish you all the best and hope you get good grades!

Christmas is a time of happiness, fun and decorations. Most families celebrate with a good meal and a few Christmas presents. At the end of December, we had a marvellous Christmas Party. Do you want to know my new year resolutions? My first resolution is to get the highest grade in my exams! My second resolution is to lose weight and be healthier. My final resolution at school is to be extremely popular at school. I don't talk to students from other classes as much as I'd like to. These are all the resolutions I want to achieve next year!

## REVIEW OF THE FIRST TERM

*by Anson Fu*

This term has ended very well. I have a lot of great memories, such as being an English Ambassador, playing Maths games and enjoying the process of learning. Being an English Ambassador is now a part of my school life, selling items for the Panda Shop and taking part in Lingnan News. I hope you all had a great first term!

Next year will be even more as exciting as we host two English weeks as well as some other special events. Have you enjoyed the first term this year at LUAAPS?

## TEACHER TALK - MR. T

*by Joanne Tsang*

Earlier this month I interviewed Mr. T. I found out that his favourite colour is navy blue. He also likes to play basketball and that's why he is so tall. His favourite place is Japan because he likes the food there, especially Sushi. He also likes the people and culture. He teaches 3A, 3B and 6Blue. He often goes to Sham Shui Po, Causeway Bay and TST to play basketball and work.

19<sup>th</sup> November, 2021

On the fifth of November was School's Parent Day, I did not need to go back school. I went to New Central Market with mum by MTR. There was three floors in the building and it was 80-year-old grade historic building. I saw many photos that introduced how different about the market look like. I found out a lot of old tools for the hawkers.

I think the old market is more interesting than the new style super market.

I'm glad you enjoyed this project Karina!
