November

LUAAPS Open Day

The Open Day on the 16th November had showcased our educational achievements through engaging displays created by teachers and parents. The event fostered community connections and provided insights into the school's teaching philosophy, highlighting the importance of teamwork and collaboration in promoting quality education and strengthening relationships between parents and the school.

School Picnic

The annual autumn school trip occurred on a hot day with temperatures reaching 30 degrees Celsius, but the enthusiasm of the children and parents remained high! This year, the group divided into three separate routes, and everyone enjoyed the trip thoroughly.

Lunch Napping Activity

Do you feel sleepy after lunch? This year, our school listened to the students' wishes and provided a designated nap time after lunch. Students can bring their own pillows and blankets to the school hall for a restful nap.
