M+ Visit and Picnic

In December and January, students had the opportunity to visit the M+ art museum, where they gained a deeper understanding of the displayed artwork. Following the visit, they gathered on the grassland for a picnic with their classmates. The weather was delightful, and they all had a wonderful time!

Chinese New Year Celebration

On the final school day of the Year of the Dragon, students also learned more about traditional food and customs during the Chinese New Year Cultural Day. They dressed in traditional Chinese costumes, relishing the Chinese costume fashion walk, sampling various delicious cakes, and participating in game booths. Their enjoyment was evident from the big smiles on their faces.
