## Orbis • Mentholatum Blindfold Lunch

To promote eye health, our students participated in an unique "Blindfold Lunch" experience. During the activity, students wore eye masks during lunch to understand the importance of healthy vision. This campaign provided a hand-on experience for students to reflect on the importance of eye protection and cherishing their vision, fostering empathy and gratitude.

## Sports Day

Our annual sports day was held at Sham Shui Po Sports Ground on February 27. Despite the hot weather, all students gave their best in each competition, breaking numerous school records! We were honored to have Mr. Chen Dion, the principal of Ying Wa College, and former HK athlete Miss Lau Ching Man to deliver inspiring speeches to our students.
