A friendly football match with the celebrities

On Parents' Day, we invited a celebrity football team to play a friendly match against our school. Our school fielded three teams: a parents' team, the junior and senior football teams, and a team of teacher representatives. The celebrity football team showcased impressive skills, entertaining the crowd with their agility and teamwork.

Meanwhile, our school teams put up a spirited fight, demonstrating their hard work and dedication in practice. Everyone had a great time during the match! The atmosphere was electric, with cheers and laughter echoing around the field.
